

Doon Spring Fling

Saturday, April 18, 2026

We would like to invite you to participate in this year's Doon Spring Fling/Craft Fair. The Doon Parks and Rec Committee is again hosting this craft fair with proceeds going to improving our parks. The fair will take place at the Doon Community Center on Saturday, April 18, 2026, from 9 a.m. to 2 p.m. We will provide all the tables, unless you choose to bring one in to supplement your booth.

We will be offering mainly two sizes.

- **Booths** will be 10x10. Booth vendors agree to keep all product and display inside their own 10x10 space. Booth vendors are permitted to bring in outside tables and displays as long as they fit within the 10x10 space and will not damage the building.

-**Table Spaces** will be 9x5.

Table vendors agree to keep all product on top of their 8' table (extra product may be kept underneath), and no extra floor displays are allowed. Table spaces are perfect for those who have less cash & carry items or smaller amounts of product. One table and two chairs will be provided per space or booth.

Vendors will be limited to one per company (ex. Pampered Chef, Usborne, etc) and we reserve the right to also limit by type (ex. Not more than "X " amount of jewelry vendors, etc) to keep our event varied and interesting.

To secure a place in this event, please complete this form and return with check (no cash please) to the address listed as soon as possible. You may also Venmo to [DoonParksAndRec-DoonIA](#). No space will be secured until full payment has been received.

Returning Vendor Deadline is March 20, 2026. If we have not received your completed form by this time, we will open space to new vendors. **Final Deadline is March 31, 2026 (the latest date to get your business name in advertising).**

We will be doing our best to accommodate ALL vendors. We are happy to take special requests and will do our best to help, but we cannot guarantee that each special request will be met.

All vendors agree to sell until 2:00 – no early tear-down.

You are encouraged to invite your own customers, family, and friends to the event. We will be advertising by way of Facebook, local papers, signs, TV, and by word of mouth. Your sharing with the Facebook Event is wonderful as this helps many more people to see our fair's information. If you have ideas as to where to advertise, please share with us.

The contact person from the committee is Michelle Koedam. She can be reached at koedammichelle@gmail.com or by text at (712) 540-4051 for any questions.

Sincerely,

The Doon Parks & Rec Committee

Organization/Company Name: _____ (As seen for advertising)

Contact Person: _____

Cell # (____) _____ - _____
